

Pastor Rich's Summer 2023 Sermon Series

DID YOU KNOW? *The Book of Psalms is a collection of five smaller "books."* This series features selections from each one. There are also four different types of Psalms: **Liturgical** (about particular moments in the life of faith community), **Lament** (informing God of suffering, pleading to be delivered), **Thanksgiving** (praising God for good fortune), **Imprecatory** (calling on God to curse enemies). Keep both of these notes in mind as you read, pray, and hear the Psalms preached.
